Smile And The Word

smiles At you

AND THE MOUNTAIN
SWEET
AT YOU

The sun comes
shinin' through
**But when you're cryin',
you bring on the rain**
So stop your sighin', be
happy again

*I slept in horror's place
Names turning in the jaws of hounds
Caves for abominable games
Selection for the end times*

Bad things are speculative
Bad people are performative
Good people are speculative*

A further branch whispers
Its snow-covered limb
Longs
For nakedness*

What Would Flower Say

*My dearest,
I will tell you about it when I am
connecting with the wind at dawn.
I am looking from the above in
order to see the light.
I am the kind-hearted and ever
repeated word.
I am a memory of the moment of
happiness. A part of joy and sad-
ness.
I am becoming a lover's present, a
funeral wreath.
I would tell you that I love you
but you already know.
But don't look down because you
would see all of my shadows.*
